

Where do CCSF students reside?

A majority of CCSF students reside in San Francisco. In the 2022-23 academic year, approximately 73% of credit students and 82% of noncredit students were San Francisco residents. CCSF also attracts students from across the Bay Area, with around 8% of students in credit coming from the Peninsula and South Bay, and another 8% from the East Bay. Among students in noncredit, just over 13% reside in the counties surrounding San Francisco.
