

CCSF Fact Sheet – Transfers

CCSF students who transfer to a 4-year college or university

The population of CCSF transfer students includes first time CCSF students who: enrolled at a 4-year college or university within 10 years of their first credit term at CCSF, had no record of enrollment at a 4-year institution prior to their first credit term at CCSF, and earned at least 12 units at CCSF prior to their first enrollment at a 4-year institution. Transfer data involves multiple institutions over multiple terms, so it requires an additional academic year to become complete in the National Student Clearinghouse. Transfer information is shown up to the most recent year of robust data.

How many CCSF students transfer to a 4-year college or university?

Over the last five years, an average of 1,432 CCSF students have transferred to a 4-year institution each year. Approximately half of CCSF transfer students attended one of the California State Universities (CSUs).
