

Assessment and CARE Team (ACT) Information Sheet

MISSION

We proactively identify, assess, and mitigates risks with a multidisciplinary approach that values the wellbeing and safety of our students and campus community.

GOALS

Improve Communication

Improve communication across campus (among faculty, classified professionals, and administrators) to gather more accurate and detailed information about community members in distress.

Prevention and Intervention

Establish prevention and intervention strategies to promote health, wellness, and safety.

Referrals

Work collectively to identify community members in distress and coordinate support, resources, and appropriate referrals.
