

## **QUESTIONS FOR PARTICIPANTS FOR CATEGORICAL FUNDING**

1. Could they please share a comprehensive budget for the categorical fund similar to the monthly budget, budget sheet with summary for each budget category that we see for the u-fund.
2. Could they please describe their process for budgeting, including how they cost out particular positions or projects.
3. Could they please describe the role of the associated participatory governance committee in developing, reviewing or evaluating the budget and the success of the funded projects.
4. What is the relationship of the categorical funds to our overall budget? Specifically, what can categorical funds pay for that impact the overall development of our budget? What can they not pay for?
5. How stable are categorical funds? To what extent can we build them into our budgeting process?
