

## Accessible Text Description

The flyer is for SparkPoint CCSF – Basic Needs Center, highlighting Services for Students & Community Members. The top section includes the SparkPoint CCSF logo and a short paragraph explaining that the center supports students by helping them access campus resources, essential services, and programs that promote academic success and economic stability. It states that SparkPoint services are open to credit and noncredit low-income students and community members experiencing food or housing insecurities at no cost.

A blue banner labeled “Services/Programming” divides the page.
